Happy Rainy Afternoon, Friends!

At UCOM, we like to dance in the rain. When we see someone come to us with a struggle (their rain) and then have the privilege to know good will come, we dance. Transformative crisis can be positive and a blessing, so we dance with the crisis. We as a community can own crisis and not have it own our neighbors.

UCOM was formed in our community by this community. Faith organizations who wanted to know their neighbors and be their neighbors' cup of sugar.

We are starting to plan UCOM turning 40 years old in the fall of 2019, and so we want to CELEBRATE!

If you, or a person you know likes to plan parties - **contact me and join our party planning committee!** We want to honor UCOM's mission and the amazing work we all can do together!

Together, we can change individuals lives, our communities culture, and make our days here count!

Transformative Rain! Dance with us! **Ps. Rice and Corn.**

*We are so glad that you have joined us this morning. For those new or returning to the church, welcome home. God calls us all to Himself, and it's our conviction —we're here to prove it — that spiritually, Christianity is most fully lived out in the congregation of God's people. You figured out we're not all together, but we're working on this journey of faith and we are glad you have come along with us for the ride.*
