Happy Summer Friends of UCOM!

This blazing heat tells me summer is HERE! And we are so excited from the energy and community efforts making sure no child is facing hunger this summer. We live in the greatest city in the world! And, I am completely bias! #hometown

As you may know, UCOM works diligently to take a holistic approach to address the complex needs of our low-income neighbors. Providing our clients the resources they need to overcome a crisis involving food and under-employment, while keeping them in forward motion towards stable housing and asset building would not be possible without your help. Thank you! Our summer feeding program gives breakfast, lunch, and personalized assistance to working parents. Through case management, we reinforce the parents' authority as the provider, and help relieve the stress of choosing between JEA or food. We have one hundred and eleven families signed up because parents are working and can't get their children to a summer lunch break spot.

With leading financial support from Deerwood Rotary and Southside United Methodist Church and Women, food from Feeding Northeast Florida, and the ongoing financial and food donations from all of our amazing partners, we are going to change the rules this summer and work alongside our struggling parents. We are their neighbor with a cup of sugar when they need it. We are their cheerleader and confidant when they need an ear or shoulder. We've got their back while they work hard to run their family, pay the bills, and be their best selves for their children. This also could not happen without our amazing summer volunteers! Weekly drivers, food packers, teenagers, and service groups coming to pitch in and help!

It takes a lot of savvy, a fair bit of coordination, and a sprinkle of magic to make all the stars align and have all the food and volunteers we need. Because of this, UCOM is happy to announce a new team member over this 2019 summer, Jessica Duva! Jessica will be providing coordination over our summer feeding program, case management for those families, and being an extra set of savvy at UCOM Emergency Service Center (food pantry). If you get a chance to stop in, make sure and introduce yourself!

Cheers for all of your ongoing support of our neighbors in the South Jacksonville Communities.

Welcome to Faith United Methodist Church!

We are so glad that you have joined us this morning. For those new or returning to the church, welcome home. God calls us all to Himself, and it's our conviction – we're here to prove it – that spiritually, Christianity is most fully lived out in the congregation of God's people. You figured out we're not all together, but we're working on this journey of faith and we are glad you have come along with us for the ride.

We hope you will all join us following this service in Wesley Hall For a farewell pot luck for Pastor Rigo, Saine, Magdiel and Jahaziel.
